#### SOPHOMORE CLASS

The class officers this year are Betsy Davis and Regina Croteau Co-Presidents, Kendra Keneston secretary, Jean Manson, treasurer, the advisors are Mr. Morton and Mr. Grover.

The Sophomore Class has been very active this year WE are represented in various clubs and sports, a few would be Drama club, French club, Library club, football field hockey, ski team, basketball, etc.

We have sponsored several money making activities like raffles and dances to raise money for a end of the year field day.

Our biggest event is a dance with a group "Trucking."

We would like to thank our advisors very much.

#### FRESHMEN CLASS

Our class officers this year are Nancy Melville, President; Steve Blanchard Vice-President; Susan MacKay Treasurer, and Kathy Yeo for Secretary.

Up to the date this is written, there hasn't been much going on in the class. We've put on a movie, *The Guns of Naverone*, had a food sale, and concentrated whole heartedly on being the funkiest Freshmen around; There are plenty of Freshmen in almost every activity, Drama Club, Cheerleaders, the Sr. Band and Chorus to name just a few. Too bad there aren't many things going on in the class itself. That's just because we haven't wakened up yet. Just wait till next year!

ENGLISH  
DEPARTMENT

The fall of '72 saw revisions in the English curriculum. From tenth grade to twelfth, students were offered no choices for first semester; there were only required courses. With the beginning of second semester, either eighteen or nine week mini-courses were available from which the students made a choice. Further refinement becomes mandatory however, since it is evident that choices were very limited for most students, who were locked into a particular time block and therefore unable to exercise free choice.

## MUSIC DEPT.

Probably the most positive statement that I can make about Telstar's music dept. is in relation to its growth during the past five years. We started the first year with only two performing groups, chorus and band, besides two Junior high and two senior high music courses. We now have six performing groups; Junior chorus, Senior chorus, Junior band, Senior band, Marching band, and Stage band. We have also started a string group with eight players, along with our Junior and Senior high music courses. The enrollment in the performing groups has grown from sixty students that first year to 225 students, more than one third of the student

population of Telstar, and we continue to grow. We have tried to offer a varied program to produce a lot of involvement, and I believe we have succeeded. The students are receiving exposure to a large variety of music activities, and learning more about the vast subject of music through study and performance. My hope for the coming years is that more students become involved and obtain the sensitive, personal experiences through music that I know many Telstar students have in the past.

## HOME ECONOMICS

The Home Economics department at Telstar has been very unique for the past 5 years. We have been the only public school in the state that has offered semester courses for the sophomore through senior classes. We have been very proud of our course offerings and the fact that we have been able to reach a wide variety of students with differing abilities.

Home Economics is no longer the stereotyped idea of "just cooking and sewing." We encompass all phases of family life for both boys and girls, from the basic foods and clothing to family relations, child care, consumer economics, housing and interior decorating, to the boy's chef course.

### STRING GROUP

The String Group has been gradually progressing since January of 1972. It has given its eight members a wider knowledge and understanding of string music. We performed for the public at a concert in the spring. The String Group offers a valuable opportunity to anybody who has an interest in a variety of music.

### STRING GROUP

First Row: R. Pritchard, L. Thayer, S. Wight, C. Parker. Second Row: S. Sumner, B. Davis.

### STAGE BAND

Our Stage Band at Telstar has been improving with age. It is now two school years old. We play all three types of stage band music — jazz, swing, and rock. The sound comes from six saxophones, four trumpets, three trombones, piano, guitar, bass (electric) and drum. Under Mr. Bangs excellent direction, we have played at basketball games, dances, and gone to the State-wide Competition, this past spring, where we showed how Telstar students can play; all in all the future holds great things for this group.

### STAGE BAND

Mills, E. Greenleaf, B. Swan. Fifth Row: I. Howe, M. Wilson, M. Davis. Sixth Row: B. Cummings, R. Littlefield. Standing: J. Snyder, N. Dock, C. Buker, D. Farrow.

#### SENIOR BAND

On the football field this year, the high spirited Senior Band stepped out with the largest enrollment to date. Marching with the band were the color guards, banner bearers, and the majorettes. Besides playing at home football games, the band presented a superb collection of music at the Christmas concert. An exchange concert between Cali as band and Telstar band was conducted in March and April. To top off the year the band presented their annual Spring concert and again marched in the Memorial day parades.

#### SENIOR HIGH CHORUS

Owens, S. White. Fourth Row: J. Hoyt, T. White.

#### JUNIOR CHORUS

Junior high chorus is made up of 41 people. We have two representatives (Lauri Littlefield and Linda Yeo). They help Mr. Bangs with the rules and regulations for the chorus to follow. The librarian Amy Vogt passes out the music and collects it, then puts it in a file. The manager Lauri Littlefield warms the group up by doing the scale once or twice.

We have been successful in singing with a lot of good music. We sang at the Christmas and Spring Concert.

We have had a lot of fun this year!

# TEACHERS OF THE YEAR

A. James Fiske

Two outstanding Telstar teachers, Timothy Kersey and A. James Fiske as seen at work in their classroom-laboratory. Each received national acclaim on February 1st, 1973 when the American Association of Physics Teacher granted them a joint award for their entry the "Innovative Teaching of Secondary School Phycias Contest". Four other Carnesgile Corporation support awards were made to participants on a nation wide basis . . .

Timothy Kersey

An open lab, with an individualized program keeps the art room busy during the entire school day. Plans for the following year are for student assistants, especially in the ceramic shop.

#### COOPERATIVE EDUCATION

1972-73, the first year for Cooperative Education. The program has helped more than forty students by giving them training and job experience in vocations they want to pursue when they finish their education.

The first year of CO-OP has been successful because of the performance of the students in the program. Every student involved can feel that they contributed to the success of the program this year and were instrumental in the continuation of the program.

#### VARSITY CHEERLEADERS

This has been the best season for cheering in the history of Telstar! In football and cross-country we had an undefeated season. Both Junior Varsity and Varsity Cheering squad received charmes because our teams were MVC Champions. In basketball we had the best season yet, and we're sure next year will even be better. We are losing three seniors this year; Terry Berryment, Ann Rolfe, and Alice Smith. We would like to thank Mrs. Applin for the many things she has done for us this year.

#### VARSITY CHEERLEADERS

1st Row: A. Smith, P. Savage, A. Rolfe, K. Morey. 2nd Row: T. Berryment, S. Kendall, T. Inman, J. Hakala.

#### J.V. CHEERLEADERS

#### J.V. CHEERLEADERS

Even though the J.V. squad has had many mishaps, we've managed to stick together through both football and basketball seasons. We'd like to commend the boys for their teamwork and fighting spirit; also, the school for their support, and especially; we'd like to thank our advisor, Mrs. Applin, for putting up with us.

When you have a great team attitude, a great team effort, and a great team spirit; you usually end up with a great team. This is what happened at Telstar this year. The football team had all these assets going for them, and more, to end up winning the M.V.C. title and the Class C Championship. It was truly a team effort — one time our defense would rise to the occasion, another time our offense would come through when we needed it. But always there was someone that came through. There were many outstanding individual efforts that certainly can be looked back upon with pride.

Offensively, we combined a quick-hitting line, featuring Bruce Henley, Glen Olson, Ricky Westleigh, Frank Howard, Randy Olson, Tim Rosenberg, and Alan Seames, with a hard-running backfield composed of Peter Blake, Levi Brown, Doug Brooks, and Paul Farrar. With this combination we sustained a solid, crunching, time consuming ground game that overpowered opponents. Top reserves, who performed excellently during the course of the season were Ricky Wing, Gary Wight, Kevin Trinward, Francis Westleigh and Wayne Cummings.

Defensively, the team gave up a total of 33 points, which is very impressive, and did not allow a point scored against them at home. The defense was solid throughout the year with excellent line play from Bruce Henley and Alan Seames at the ends and Randy Olson and Glen Olson at the tackles and Tim Rosenberg at middle guard. The soled linebacking trio of Frank Howard in the middle. Ricky Westleigh and Kevin Trinward on the flanks was outstanding. The fleet secondary consisted of Peter Blake, Paul Farrar, and Wayne Cummings. Top defensive reserves were Levi Brown, Doug Brooks, Francis Westleigh, Ben Warner, and Gary Wight.

Fine efforts by the J.V.'s proved to be tough competition for the regulars during the week.

Yes, it is a season to remember!
